

# ENTRANCE CLOSURE

Beginning Monday, March 20, North Shore Health will close the Care Center/delivery entrance.

Please access North Shore Health through the Clinic atrium entrance or ER entrance, after hours. Temporary signs will be posted.

For further information on changes and to follow along with the construction progress, please visit our construction blog-site at [www.nshorehospitalconstruction.com](http://www.nshorehospitalconstruction.com). Information will also be available on Boreal and WTIP.

We apologize for the inconvenience this planned construction may cause our visitors or community members, and we appreciate your patience while we work to complete this important project.
